

## SWIMMING POOLS

These guidelines apply to the installation of any private pool with a depth of 1 ½ feet, or 18" of water or more, whether above or in the ground.

1. Pool must be a minimum of 15 feet from the side and rear lot lines.
2. Must be enclosed with a fence (minimum of 4½ feet above water's edge)
3. All gates or points of entry to the pool must have a self-closing, self-latching device
4. Requires a Zoning and Building Certificate
5. Electrical permit required if you have a pump (Stow) *NEC Requirements*
6. Requires testable backflow prevention device (requires yearly test submitted to city)

It is advisable to obtain the services of a licensed professional electrician if you are not knowledgeable of NEC requirements - inspections are required.

**Cost of Zoning Permit \$35.00**
