

WELCOME!

City of Munroe Falls Utilities Information

Congratulations on your new home

We understand that setting up utilities varies from one community to the next. This information is designed to help new residents of Munroe Falls set up services.

Here's what you need to know

You are responsible for setting up utility services. Some utility companies will allow renters to set up service accounts. Others will only bill the owner of the property. Security deposits may or may not be required.

Quarterly Billings from:

Summit County Department of Sanitary Sewer Services - Sanitary Sewer
Kimble Recycling & Disposal - Trash Removal/Pick up & Recycling
(3 yr contract to provide for *all* residential trash service effective March 2018)

Monthly Billings from:

City of Munroe Falls Water Department - Water, Storm Water
Dominion East Ohio Gas - Gas Service
First Energy - Electric Service

Other Services you may or may not need to set up through a provider of your choice

Cable, Internet, Phone, Satellite

Aggregation

If you are interested in obtaining a lower rate for your gas or electric service you might be interested in an aggregation program. When you sign up, you agree to contract terms and conditions to get a lower rate. You may choose the City Aggregation program, or another program.

Check out the Public Utilities Commission of Ohio at www.puco.com and click on their "*apples to apples*" comparison to see what is available to you.

Know Your Home

It is up to you as the homeowner to know what services you need. There are a few homes in the city with wells and/or septic systems. Condos in Munroe Falls may have some services set up for all association members like trash collection. Check with your HOA to see what services might be included.

Free Textile Recycling

Simple Recycling offers free recycling of unusable fabric goods such as worn out clothing and many other household items. These would be items that are no longer reusable. You can contact Simple Recycling for special bags to leave out on your trash pick up day. Call Bill Wilk at 216-438-7109 or 440-591-3879 or check out www.SimpleRecycling.com. Bags are also sometimes available at City Hall
